

**Client:** C R Reynolds  
**Name:** Hatfield Station  
**Period:** July 2014  
**Value:** £150K  
**Location:** Hatfield  
**Works:** Deck Waterproofing and Coloured Wearing Course, Structural Movement Joints and Lining

## The Project

**SL Construction Services** were selected by **C R Reynolds** to install a protective Waterproofing and Anti-Skid system to the new car park at **Hatfield Station**.

## The Works

**SL Construction Services** successfully installed **2029m<sup>2</sup>** of Fully Reinforced Waterproofing System and **6759m<sup>2</sup>** of wearing course to the new car park.

The project has been successfully installed to include preparation of the concrete through enclosed blasting.

All lining was also completed in a single one stop shop package.

## Completion

Co-ordination of works were planned around other trades with good on site management and a direct skilled workforce from **SL Construction Services** providing flexible and assured safety and quality at every stage of the project.

The project has been completed ahead of time and on budget.
