

Client: Eric Wright Construction
Name: The Square, Hale Barns
Period: **March 2015**
Value: £40K
Location: Hale Barns
Works: Deck Waterproofing and Coloured Wearing Course, Structural Movement Joints and Lining

The Project

SL Construction Services were selected by **Eric Wright** to install a protective Waterproofing to the new car park at **The Square, Hale Barns**.

The Project

SL Construction Services successfully installed **1251m²** of a Fully Reinforced Waterproofing System to the new car park.

All lining was also completed in a single one stop shop package.

SL Construction Services provided an in house team of installation experts and management to oversee every stage of the installation ensuring the highest quality standards were met at all times.

The rapid application as well as the speed of the on-site team ensured that the work was completed ahead of time. **SL Construction Services** provided a comprehensive package of technical, planning and quality assurance expertise to ensure smooth project delivery.

Completion

Co-ordination of works were planned around other trades with good on site management and a direct skilled workforce from **SL Construction Services** providing flexible and assured safety and quality at every stage of the project.

The project has been completed ahead of time and on budget
